40 Years of Caring

Learning one's child has cancer is one of the most heartbreaking moments that a parent could possibly face. Outliving a son or daughter is a devastating thought no one would ever want to endure. The AROCC story is about a very small group of parents who came together sharing a common but tragic bond . . . each had a child diagnosed with cancer. Their involvement extended through the many months of treatment for their child and subsequently for some, the tragic loss of their child. These same parents looked beyond their own grieving process and worked together to start the formation of a neophyte cancer organization. In 1971, the **Association for Research of Childhood Cancer (AROCC)** officially formed as a not-for-profit corporation. From very humble roots using a bus called "AROCC Moves a Mountain" to sell arts and crafts, AROCC after 40 years of fundraising is proud to say close to 3 million dollars has been raised exclusively for researching

breakthroughs in childhood cancer treatment and cure. A number of the "founders" continue to serve on the Board. And it is no wonder that this devotion has now trickled down to our youngest group of supporters, "Kids helping Kids", who do their own independent fundraising for

AROCC. A lemonade stand last year which raised \$250 for AROCC, this year the Windermere Elementary School team of Maya Shrikant, Claire Wanzer, Molly Nelson, Felicia Ponikau, Mary Clare Kuhn, Elizabeth Thompson and Liza Florczak presented AROCC with a check for \$700 and a letter stating "We also sold bracelets (made by us) and cookies (made by our parents). Raising money for your program makes us happy to know that somebody somewhere was using it in a good way to try to figure out a cure for childhood cancer."

And yes, they will be back this summer.

The caring, that began so many years ago with strong community support here in Western New York, continues everyday with supporters now from all over the country, as well as, beyond. Thank you to the **Moll, Halicki, Winkle, Vosburgh, Hayes, Tabone, Penny, Dudas, Moody families and Dr. Lucius Sinks** for caring. They began the long journey with such compassion and the AROCC story will end only when childhood cancer is eliminated.

Rock N' Roll for AROCC

The 6th annual Rock N Roll for AROCC was held on 3/27/2010 and everyone who attended had a great evening. Many came for the dancing and/or listening to the wonderful music by Joy Ryde. Others came for the huge Chinese basket auction and the many prizes like the 6 foot awesome Sabres rug or the autographed Tyler Myers hockey stick. Then there are some who come every year in hopes of winning the unique prize of a full size juke box and then thinking OMG where will I put it if I win. This event always proves to provide a wonderful fun night out, with

plenty of food and drink. What better reason to come than to support a charity that provides funds for research to find a cure to help an innocent child diagnosed

with cancer. We are now preparing for our 7th annual Rock N Roll for

AROCC which will be held on **3/19/2011** at the Father Justin's Knights of Columbus on Union Rd starting at 8pm. Tickets are \$30 which includes a buffet, beer and wine and live music by Joy Ryde and the Hitman Horns. We would like to thank all of our many volunteers and supporters who have helped make this a very successful event over the years. Let's make this year the best yet and come out and have a great time. See you at the dance!

Patrick Brady Memorial Golf Tournament

On July 12, 2010 the family and friends of Patrick Brady hosted the “Patrick Brady Memorial Golf Tournament” at River Oaks Golf Club on Grand Island. This year’s tournament was to honor the memory of Patrick Brady who died from liver disease. Patrick, along with his two sons, Tom and Jim, owned and operated Brady Electric Inc. until he retired. The day started off with registration and lunch in the tent just off the first tee. The shotgun start began at noon and 160 golfers were off for 18 holes of golf and fun. After a great day on the course a steak dinner was served, along with prizes and basket auction. Mick Hayes provided music.

Two teams posted a 60 resulting in a draw for 1st place.

Team 1	Team 2
Gary Shugg	Jack Saia
Tony Shugg	Doug Eoute
Bob Paulak	Jack Tuchols
Mike Moore	Daryl Turenne

Unfortunately no one made the hole in one... maybe, next year. The pot of gold was split with a couple of golfers.

We at AROCC would like to thank all the golfers for making this sold out tournament a great success. A special thanks to Diane, Tom and Jim Brady, Patty Rink and Dale Berger and all the volunteers for putting together a well-organized event. Their hard work and strong commitment led to the success of this golf tournament and a donation of **\$8,000** to pediatric cancer research. Mark your calendars for this year’s tournament.

Tri-Five Car Show

The Tri-Five of Western New York held their Annual Classic Car Show on July 4, 2010 at the Great Pumpkin Farm in Clarence New York. It was a great afternoon filled with live music, good food, family activities and the most beautiful classic cars in Western New York. AROCC volunteers ran the hot dog stand where over 1600 hot dogs and drinks were served to hungry car enthusiasts. Over **\$3,500** was raised

to help fund pediatric cancer research. To date, **\$116,000** has been donated by Tri-Five to AROCC.

This year’s event will be held on July 3, 2011 at the Great Pumpkin Farm in Clarence, NY. The day will be filled with live music by JoyRyde, the Blues Brothers Review, beautiful classic cars, family activities, and great food. If you are inclined to volunteer to help at the hot dog stand please contact Larry Lorenz at vicepresident@arocc.org.

We are always looking for a few good grillers.

Holiday Hero 2010

We would like to take this opportunity to thank those who have contributed to our Annual Holiday Hero fund raiser. To date we have received **\$25,000**.

For those of you who have not contributed yet, we know the economy is difficult, but cancer does not take a holiday. Every penny counts, especially in these tough economic times, and we hope you will find a way to share some of your pennies with us.

The proceeds will be used for seed grants at Women's and Children's Hospital, the Pediatric Department of Roswell Park Cancer Institute, the SUNY at Buffalo Medical School and other pediatric oncology centers in the country. As AROCC begins its fourth decade as a not-for-profit charitable organization, we are encouraged by the progress made in finding a cure for the cancers that afflict our children. None of this would be possible without support from concerned, generous people such as you.

We know that the competition for your charitable dollars is very intense. AROCC's overhead is possibly the lowest of not-for-profit charitable organizations seeking your support. AROCC is run by all volunteers. We have no paid administrative staff. **Ninety four (94) cents out of every dollar** you contribute goes directly to support this worthiest of causes. We have **no peers** in this regard. We have a Medical Advisory Board that reviews all Grant requests to ensure that we only fund projects that are deemed worthwhile. Compare this against other charities and you'll see how we stack up.

The fight against childhood cancer is not an easy one to win. The reward for joining the battle comes when you see children with little hope for survival being cured through new drugs and treatment protocols. However, the cruel fact remains that cancer is still the **NUMBER ONE DISEASE KILLER OF CHILDREN**. Because of your help, children will be given the chance of a lifetime, the chance to live, to grow up

healthy and strong. We ask those of you who have not yet contributed to our Holiday Hero campaign to do so at your earliest convenience. The future of those children afflicted with this horrible disease is in our hands; we must make every effort in their behalf. Our campaign needs your commitment; more importantly our children need your support. New members are always welcome and needed. Come Join the battle. It is the hardest job you'll ever love.....call (716) 681-4433.

Sincerely,

*Your 2010 Holiday Hero Campaign's
